PEAK BEVERAGE

Raise Your Bar

BRINGING TOGETHER EVERYTHING YOU WANT IN A BAR SERVICE

You might be wondering, "What is beverage catering? I thought catering was food?" No worries, we get that a lot. The truth is, we offer hand-selected spirits and wines, fresh lemon and lime juice, mixers, glassware, and trained bartenders all under one "roof" (wherever your roof might be). With our focus on value and expertise every time, we provide your dream bar, with dream bar service.

One trusted partner. No hassles.
This is premium beverage catering at a budget-friendly price.

WHEN WE SAY RAISE YOUR BAR, WE MEAN IT.

Since 2012, we've been providing a one-stop beverage solution for thousands of events across Colorado, and we're bringing that expertise to Texas!

With us, you don't have to wait for alcohol delivery, rent glassware, or interrupt your party to make sure your bar is stocked. With our own liquor license, our own bartender training program, and unsurpassed experience, you get real value. So if the wedding party starts downing drinks, you don't have to worry — we've got this.

HOSTED PACKAGES FOR ANY EVENT AND BUDGET:

- Beer, wine, & liquor selections
- Fresh lemon & lime juice
- Sodas, juices, & water
- Ice, glassware, & bar equipment

CASH BAR/ON-CONSUMPTION BAR PRICING AND MINIMUMS

LOOKING TO SAVE SOME MONEY OR HOST A DIFFERENT STYLE OF EVENT?

Try our cash or on-consumption bar model instead of a hosted bar. This style of bar is great for non-profit events, public events, casual parties with friends, events with low-drinking attendees, or any type of event where hosting an unlimited open bar is not wanted or possible due to budgetary constraints.

WITH AN ON-CONSUMPTION BAR OR CASH BAR, YOU ONLY PAY FOR WHAT YOU DRINK!

Our pricing is similar to a restaurant's happy hour menu, and you can create a custom menu for your event by choosing from our popular options of wine, beer, spirits, and cocktails!

Both of these options work similarly – you or your guests pay for each drink instead of hosting an open bar.

REACH OUT TO YOUR CLIENT SALES REPRESENTATIVE FOR A PRICING MENU AND TO GET STARTED ON A CASH BAR OR ON-CONSUMPTION QUOTE!

CASH BAR OR ON-CONSUMPTION OPTIONS

CASH BAR

Your guests pay by the drink. Similar to going to a bar or restaurant.

ON-CONSUMPTION BAR

Our bartenders keep track of the alcohol served during the duration of the event, then charge you for the amount consumed at the end. Consumption model bars can be useful when you know you have a crowd of very light drinkers.

HYBRID BAR

Starts as an on-consumption bar until a pre-determined total is reached and then becomes a cash bar where guests pay for their own drinks.

Our cash and consumption models include the same elements as our hosted bars! The only difference is alcohol is not unlimited, and you can customize your own menu. We include: bar setup (tables, linens), 1 bartender per setup, ice, plasticware cups, unlimited beers, unlimited wines, and unlimited liquor (if package selected), non-alcoholic options, all equipment, 1 POS system per setup, cash drawers, and card readers.

Default is plasticware. Glassware adds an additional fee.

BAR PACKAGES

These packages have been curated by our Beverage Director and blind-tested by our entire team to provide optimum value and selection. We are always looking for the best products, so they may change up to 60 days before your event. If you have particular products in mind, we may be able to accommodate. Just talk to your Peak representative for details.
